The Comprehensive Remediation Program, the E2020 computer lab, READ 180, the mPowered mentoring program, reading and math support classes, “Beau-tie” and African American Promise provided subject area support and assistance. Hand continues as an Arts in the Basic Curriculum site and Distinguished Arts Program School, receiving grant funding for arts instruction and integration. The School Improvement Council, PTO and the Hand Educational Foundation supported school initiatives including school technology with digital tablet implementation. The Foundation sponsored the annual school gala to support additional technology for the students. An involved Hand community member was recognized as the district’s Volunteer Partner of the Year. A Hand partnership with the University of South Carolina’s Capstone Scholars was selected as the district’s Volunteer Group of the Year. The Cluster of Churches brought in volunteers and resources and supported our annual school-wide Family Math and Reading Nights, as well as the Weekend Food Program, “Hands of Hope,” for select Hand students. The PTO athletic booster club provided motivational and financial resources for our student athletes. For the fifth year, the girls track teams placed first in the district. The Student Council assisted with raising funds for Palmetto Health Foundation and sponsored our school talent show. To improve the success of all students in English language arts and math, the students participated in Measure of Academic Progress (MAP) testing. Challenges included meeting the needs of students whose families live in poverty and the challenge of aligning the common core instruction and assessment to the state standards and indicators.
